Dear Bob,

It Was a real Pleasure to Meet You last Friday. Many thanks for the effort to bring out Your Coins I really enjoyed seeing them that I was able to look at. Time Constraints don't Work to help Me in all the things one wants to look for.

As usual I didn't Write down What I Saw until about 4 Hours later and then Some Something is Wrong However I am Planing to be in Cherry Hill on Saturday June 26. I got to talk again and You Mentioned that You Planned to be there. Would it be Possible to have you bring some of My old friends from the 1953 Sale? as well as some others that I didn't get a chance to look at? Also am buying Some Half Cents and obviously Your Price of Not More than I can Carry on My Person. Then Sure us old timers can get together without a Crowd for a leisurely talk on our Coppers.

Again Many thanks

Sincerely

Bogle
